With Vitamins A, E and D-Panthenol

With Hyaluronic Acid and Matrixyl 3000

For normal, dry and sensitive skin.

Hydrates deeply, nourishes and softens the skin.

Brings comfort and youthful vitality to tight skin leaving it fresh, radiant, beautifully soft and healthy.

The highly concentrated cocktail of advanced powerful antioxidants and vitamins acting at all levels.

Hydrates deeply and maintains skin's natural moisture and lipid balance.

50 ml

INTENSIVE ANTI-AGING NIGHT CREAM

With natural Rosa Damascena rose oil, Organic Olive Oil and Mountain Tea Extract

With Vitamins A, E and D-Panthenol

With Hyaluronic Acid and Matrixyl 3000

For normal, dry and sensitive skin.

Increases the production of collagen and delays premature skin aging.

Nourishes, energizes and restores elasticity during sleep. In the morning your skin is healthy, rejuvenated and with a youthful radiant glow. Visibly reduces and smoothes wrinkles. This rich night cream provides nourishment to all levels of the derma. Supports and recharges skin's barrier function. Maintains skin's natural moisture and lipid balance and promotes cell renewal.

50 ml.

MICELLAR ROSE WATER

With Rosa Damascena Flower Water and Rosa Damascena Flower Extract for clean, fresh and breathing skin.

- removes makeup
- cleanses
- soothes
- hydrates
- refreshes

For face, lips, eyes and neck.

For all skin types.

Perfect for sensitive and problematic skin.

The micellar water gently and efficiently cleans dirt, makeup, and excess sebum in depth without drying the skin. The skin is hydrated and pure.

The natural rose water has anti-inflammatory, anti-allergic, softening and refreshing effect. Hydrates and soothes the irritated and sensitive skin.

This ultra-soft treatment does not require rinsing after use.

250 ml

ANTIBACTERIAL HAND GEL

Antibacterial Hand Gel with rose water cleans and disinfects in seconds, without the need for soap and water. Provides a quick and easy way to maintain excellent hand hygiene, no matter where you are. It has a fresh scent of roses.

Hand cleansing gel with 70% alcohol.

The rose water is produced through the distillation of the flower of the Rosa Damascena. Has anti-inflammatory, anti-allergic, softening and refreshing effect. Hydrates and soothes irritated and sensitive skin. The rose water also promotes emotional well-being. Rosewater helps hydrate, revitalize and moisturize the skin.

Glycerin soothes and hydrates the skin.

The result - perfectly clean and protected hands!

Suitable for every skin type.

How to use: Apply a small amount on your hands. Rub into fingers and palms until the gel is completely absorbed into the skin

50 ml

INGREDIENTS

Rosa Damascena rose oil – known as “the liquid gold” because of its powerful blend of vitamins, minerals, antioxidants, and antiseptic properties. Rosa Damascena rose oil contains more than 300 compounds and is one of the most complex natural substances on Earth. Its rich molecular composition makes it the most beneficial essential oil for your skin. Fights free radicals, stimulates collagen production and tones capillaries to help slow down and even reverse the skin’s aging process.

Organic olive oil – rich in antioxidants and vitamins A and E. Gives the skin silky smooth softness. Naturally contains healthy fatty acids. With its anti-aging benefits helps restore damaged skin cells. Penetrates deeply into the skin and promotes the production of collagen.

Hyaluronic acid - delivers lasting moisture to the skin and smoothes out fine lines and wrinkles

Matrixyl 3000 (Palmitoyl Pentapeptide) - the most effective modern lifting component that reduces visible depth. Matrixyl 3000 is an anti-aging peptide comprised of two proteins. It is used to target a wide range of aging signs which helps your skin look and act more youthful. It promotes the production of collagen and elastin in the under-layers of skin to diminish the signs of aging. Stimulates the growth of new collagen, elastin, and hyaluronic acid, which aids in refilling wrinkles naturally from within the skin.

Mountain Tea derived from the cleanest part of the Pirin mountain. Protects the skin from free radicals and active forms of oxygen, which are the main cause of collagen molecule fragmentation and aging of cells..

Ingredients /INCI/:
